

Camp Bowie

Bowie Nature Park, Fairview TN

Experience nature, science, and fun at Bowie Nature Park's Summer Camps! We offer half-day camps for 5-7 year olds and full-day camps for 8-12 year olds, with activities from creek exploration and nature games, to arts and crafts.

Camp Themes & Dates

Little Adventurers Camp (5-7yrs) - June 10th - 14th
Get outside and explore with us! All week we will learn about outdoor survival basics and learn valuable skills using hands-on activities and games.

Camp Outdoor Adventures (8-12yrs) June 17th - 21st
Campers will learn outdoor skills like outdoor cooking, shelter building, and orienteering through fun games and hands-on activities.

Camp Splash (8-12yrs) - June 24th - 28th
Come cool off this summer at "Camp Splash". Campers will hike in the creeks, search for water creatures, and enjoy water games each afternoon. Come prepared to get wet and to have lots of fun!

A Bug's Life Camp (5-7yrs) - July 8th - 12th
This week will focus on lives of the most abundant creatures on earth. Campers will learn about these creepy crawlies through games, crafts, and exploration of their different habitats.

Camp Bugology (8-12yrs) - July 15th - 19th
For every one human, there are 1.5 billion bugs. Come learn about these interesting creatures that have us so outnumbered. Campers will explore bugs that swim, fly, hop and live underground.

Astronomy Camp (8-12yrs) - July 22nd - 26th
Come explore the universe with us! We will investigate stars, satellites, blackholes, space travel and more in our out-of-this-world camp.

Registration Opens February 1st 2019

Registration packets are available on our website or you can pick one up at the Nature Center.
